

Mesa Bike Tour Reminder

Mike Rوتا

The countdown is about here for the Mesa Bike Tour to begin, which means the Mesa Bikers are looking at you and your clubs to help support them during their seven day journey throughout the busy roads of Northwestern Ohio.

The MESA Bike Tour will take place July 13th through July 19th. The bikers will begin and end their journey in Fremont, Ohio. Currently, there are many Clubs throughout District 6600 that are supporting the bike tour by housing the riders, placing donations for the bike tour, and supplying meals for the bikers.

There are two types of riders invited to participate in this year's bike tour. Through-riders are riders who will ride each day of the tour (our usual suspects will be participating again this year.) Then there are the day-riders who will ride for a day or a part of the day to help support MESA, and bring recognition to the project and its cause.

The bikers will be riding throughout Northwest Ohio traveling 30 to 50 miles per day. If you are a bike rider, you are encouraged to be a day rider to help motivate the through-riders to their next stop. This is the 4th annual MESA Bike Tour, and with your help and support, it can be the most successful one yet!
