DAY RIDERS DIRECTIONS

Directions for those who are riding only on Saturday, July 10

- From Downtown Toledo - or Rt. 75 - follow Broadway Street south to Broadway entrance of Zoo (see map). City parking lot at Broadway Street has plenty of space and is unmanned (so parking there is free) and will be accessible at whatever time you return Saturday night for your car.
- After parking (there will be a Rotarian at the parking lot to direct you) walk your bike across Broadway Street to the Zoo entrance (there will be a Rotarian there to insure you entry into the park). We have been asked that you walk your bike through the Zoo to the Anthony Wayne Trail entrance where the ribbon cutting ceremony will take place at between 9:15 a.m. and 9:30 a.m.
- Once ribbon is cut, you're off on the first leg of M.E.S.A. Bike Tour (to Port Clinton).
- The Port Clinton Rotary Club will be responsible for getting you back to your cars Saturday evening.
- They should take you directly to the Broadway Street parking lot.

Hope everyone has/had a wonderful time!
